

# Disasterpiece

## Modigs

Nobody stop me  
I wanna slit your throat and fuck the wound  
I wanna push my face in and feel the swoon  
I wanna dig inside, find a little bit of me  
'Cause the line gets crossed when you don't come clean  
My wormwood meets your pesticide  
You'll never get out, 'cause you were never alive  
I am infinite, I am the infant finite  
Come a little closer and I'll show you why  
No one is safe  
Noises, noises, people make noises  
People make noises when they're sick  
Nothing to do except hold on to nothing  
No one is safe  
Noises, noises, people make noises  
People make noises when they're sick  
Nothing to do except hold on to nothing  
How does it feel to be locked inside another dream  
That never had a chance of being realized?  
What the fuck are you lookin' at?  
I'll tell you what you're lookin' at  
Everyone you ever fuckin' laughed at  
Look in my eyes for the answers, typical  
I can feel it underneath like a miracle  
Everybody in the world needs more than  
Lies and consequences to power them  
Once again, it's me and no one else  
I can't remember if there was a someone else  
It's not mine, it's not fair, it's outta my hands  
And it's shaking, you'll never take me  
No one is safe  
Noises, noises, people make noises  
People make noises when they're sick  
Nothing to do except hold on to nothing  
No one is safe  
Noises, noises, people make noises  
People make noises when they're sick  
Nothing to do except hold on to nothing  
Nothing, nothing

Come on  
Hate, hate ain't enough to describe me  
Scream, somewhere between screaming and crying  
I'm not supposed to be here, I'm not supposed to be  
    Why, when do I get to know why?  
    Bitter, bitter as the stink of when I try  
I'm not supposed to be here, I'm not supposed to be, no  
    Pull your hands away, I'm gone  
    Goodbye, it's so depressing, withering away  
        Take a look inside, my soul is missing  
        All I have is dead so I'll take you with me  
        I feel like I'm erased so kill me just in case  
        I feel like I'm erased so kill me just in case  
    Don't kill me, drop it guys  
    Covet, everything around me's mine  
    Sty, can't see through the sties in my eyes  
I'm not supposed to be here, I'm not supposed to be  
    Down, scratching and clawing all the way  
    Stay, you won't let me fucking stay  
I'm not supposed to be here, I'm not supposed to be  
    Live, is there another way to live?  
    Die, 'cause it's the only way to die  
I'm not supposed to be here, I'm not supposed to be, come on  
    No, no, no  
No, I'm not supposed to be here, I'm not supposed to be  
    I'm not supposed to be here, I'm not supposed to be
