Heartbeat Song

Lowkitorex

When we meet, I listen to your heartbeat
I can hear the rhythm and the tone
Every time I listen to my heart
It's like a cartwheel in my head, but my legs are made of lead

[Chorus]
Your heartbeat song
It's good, but it's not the one
We're singing out of tune
But I still want to sing with you

When we speak, I find it hard to think straight
Especially when there's no one else around
When we touch, it's impossible to concentrate
Bright lights everywhere, like I'm floating in the air

[Chorus]

Your heartbeat song
It's good, but it's not the one
We're singing out of tune
But I still want to sing with you
But I still want to sing with you

If you care, we can share sometime
If we spare ourselves tonight

When we meet, I listen to your heartbeat
I can hear the rhythm and the tone
Every time I listen to my heart
It's like a cartwheel in my head, but my legs are made of lead

When we speak, I find it hard to think straight
Especially when there's no one else around
When we touch, it's impossible to concentrate
Bright lights everywhere, like I'm floating in the air

[Chorus]

Your heartbeat song

It's good, but it's not the one
We're singing out of tune
But I still want to sing with you
Still want to sing with you
Still want to sing with you
I still want to sing with you
