

When the Sun Goes Down

Arctic Monkeys

So who's that girl there?
I wonder what went wrong
So that she had to roam the streets
She don't do major credit cards
I doubt she does receipts
It's all not quite legitimate
And what a scummy man
Just give him half a chance
I bet he'll rob you if he can
Can see it in his eyes, yeah
That he's got a driving ban
Amongst some other offences And I've seen him with girls of the night
He told Roxanne to put on her red light
They're all infected but he'll be alright
'Cause he's a scumbag, don't you know
I said he's a scumbag, don't you know! Although you're trying not to listen
I bet your eyes are staring at the ground
She makes a subtle proposition
I'm sorry love I'll have to turn you down And oh he must be up to something
Want half a chance to show he's more than likely
I've got a feeling in my stomach
I start to wonder what his story might be
What his story might be They said it changes when the sun goes down
And they said it changes when the sun goes down
And they said it changes when the sun goes down
Around here
Around, here And look here comes a Ford Mondeo
Isn't he Mister Inconspicuous
And he don't have to say 'owt
She's in the stance ready to get picked up And she's delighted when she sees him
Pulling in and giving her the eye
Because she must be fucking freezing
Scantly clad beneath the clear night sky
She don't stop in the winter no and They said it changes when the sun goes down
And they said it changes when the sun goes down
And they said it changes when the sun goes down
Around here They said it changes when the sun goes down
Over the river going out of town
And they said it changes when the sun goes down

Around here
Around here And what a scummy man
Just give him half a chance
I bet he'll rob you if he can
Can see it in his eyes that he's got a nasty plan
I hope you're not involved at all
