River

Emeli SandÃ‰

Lately we've been talkin' 'bout who we are
Seems we don't know anymore
And all this time that we've been thinkin'
At night I've been dreamin' about you
And I know you don't believe me when I say
I'll love you 'till the end - forever and a day
And I guess we'll never know
(Never know)
Exactly where this river's gonna flow
And I guess we'll never understand
(Oh)
Until we reach that promised land
So I guess we'll
I guess we'll never know
Oh never know
Never know
Well people say that we're sweethearts
They say nothing in the world
Can tear us apart
Well I don't know about you
But this thing we're going through
Is tearing me in two
And I know you don't believe me when I say
I'll love you 'til the end - forever and a day

And I guess we'll never know
[We'll never know]Exactly where this river's gonna flow
And I guess we'll never understand
Until we reach that promised land
So I guess we'll
I guess we'll never know
Never know Guess we'll never know
Whoa
I guess we'll never know
Exactly where this river's gonna flow
And I guess we'll never understand
Until we reach that promised land
So I guess we'll
I guess we'll never know

Said I guess we'll never know
(Oh yeah)
Exactly where this river's gonna flow
And I guess we'll never understand
(Understand)
Until we reach that promised land
So I guess we'll
I guess we'll never know
Never know
Yeah whoa...
