

Crash

James

A diva, a leaver, a lawyer, imagine, imagine
A fever, a vision, derision, imagine, imagineSomeone got hurt, someone got high
 Someone got left behind the lies
 Someone got hurt, someone got high
Some of them left the rest behindAll of your mail is unaddressed
 Cut the Herman free from the Hesse
Crash, crash, crash, crash, crash, crashA letter, a photo, etcetera, etcetera, a Judas
A hotel, a motel, a motive, imagine, imagineSomeone got hurt, someone got high
 Someone got left behind the lies
 Someone got hurt, someone got high
Some of them left the rest behindAll of your mail is unaddressed
 Cut the Herman free from the Hesse
Crash, crash, crash, crash, crash, crashThis is hell, this is hellCrash, crash, crash, crash, crash
 Crash, crash, crash, crash, crash
 Crash, crash, crash, crash, crash
