More Than a Memory

Bizzy

Speak to me
You're walkin' closer
And it's hard to breathe
I should be runnin'
But the heart's naive
And I expected too much
You were good to me
I left a scar that no one else can see
And now you're back here
And reminding me
That I lost way too much
Do you know that night I
Almost said I loved you
And you almost said it back
[Chorus]Are we gonna be more than a memory
No matter how lame my apology
I let go of you
You let go of me
Are we gonna be more than a memory
Are you gonna just stand in front of me
Pretending I'm not your destiny
I'm not over you
Are you over me
Are we gonna be more than a memory
I'm not over you
Are you over me
Are we gonna be more than a memory
Say my name
Cause no one else can say it quite the same
It takes me back to your September days
I've missed you way too much

If I was cruel to you
Well just to hear it breaks my heart in two
If there's a way to make it up to you
I wanna change so much you know I do
And you know that night I almost said I loved you
And you almost said it back
[Chorus]Are we gonna be more than a memory

No matter how lame my apology
I let go of you
You let go of me
Are we gonna be more than a memory
Are you gonna just stand in front of me
Pretending I'm not your destiny
I'm not over you
Are you over me
Are we gonna be more than a memory
Stay with me
I really need to hear you breathe
If words can't speak
Lay your body next to me
[Chorus]Are you gonna be more than a memory
No matter how lame my apology
I let go of you
You let go of me
Are we gonna be more than a memory
Are you gonna just stand in front of me
Pretending I'm not your destiny
I'm not over you
Are you over me
Are we gonna be more than a memory
I'm not over you are you over me
Are we gonna be than a memory
