The Acacia Strain

Advisory - the following lyrics contain explicit language:

We all come from broken homes
Broken hearts and broken bones
We will live and die alone x2Welcome to the end
Tonight we will descend
We are not the enemies
But we cannot be friendsI wanna go on record to say
That I wanna live to see the day
Where the world starts grasping for air
We hear your cries, nobody cares
I wanna breathe my final breath
Knowing you died a painful death
The fucking world is an ugly place
But I will die with a smile on my faceMy life, is a shooting range
People never changeWe all come from broken homes
Broken hearts and broken bones
We will live and die alone x2Welcome to the end
Tonight we will descend
We are not the enemies
But we cannot be friendsMy life, is a shooting range
People never change
