

Ice Cream Freeze (Let's Chill)

Hannah Montana

Alright, here we go

Follow me now

come here

Hit it

Everybody do your dance

Ain't nothing better than an all night jam (Oh! ha)

Are you ready for a little something new tonight (Oh yeah!)

I got a brand new stepping thing you are gonna like

Come on boys

Gotta do like I do

Just follow my lead

Everybody let's chill

Do the ice cream freeze

Strike your pose

Can you do the milkshake

Shake it shake it down low

Can you snow cone slide left to right

Put your hands in the air

We could party all night

Do the ice cream freeze

Strike your pose

Can you do the milkshake

Shake it shake it down low

Can you snow cone slide left to right

Put your hands in the air

We could party all night

Shake it shake it shake it shake it Shake it down low

Then do the ice cream freeze

All kind of stepping make you feel good (make you feel real good)

Triple step, butterfly, sugar foot (sugar sugar foot)

But, I'm coming with a new thing.

What you need? (That's right!)

Now everybody want to do the ice cream freeze (Whoohoo)

Come on boys

Gotta do like I do

Just follow my lead

Everybody let's chill
Do the ice cream freeze
Strike your pose
Then you do the milkshake
Shake it shake it down low
Do the snow cone slide left to right

Put your hands in the air
We could party all night
Do the ice cream freeze
Strike your pose
Then you do the milkshake
Shake it shake it down low
Do the snow cone slide left to right
Put your hands in the air
We could party all night (party all night)
Did I hear anyone say party? (party)
We're just getting started (woo!)
Wanna take it from the top
Will you know I will
Now everybody let's chill
Light, camera, freeze

Everybody let's go!
Do the ice cream freeze
Strike your pose
Then you do the milkshake
Shake it shake it down low
Do the snow cone slide left to right
Put your hands in the air
We could party all night
Do the ice cream freeze (hooo)
Strike your pose
Then you do the milkshake
Shake it shake it down low
Do the snow cone slide left to right

Put your hands in the air
We could party all night
(Do the ice cream freeze) Do the ice cream freeze
(Do the ice cream freeze) Then you do the milkshake
Shake it shake it shake it shake it shake it
(Do the snow cone slide) Do the snow cone slide
Put your hands in the air
Go Crazy

Everybody let's chill
