

All Because Of You

Julia Volkova

Eyes wide open
Try to fall asleep
Yeah
For a second
I can hardly breathe
Yeah
Now I just hate to love you
But I can't fake
Wish I could be much stronger
'Cause I'm about to break
I do the things I do
Do the things
Do the things I do
All because of you
Cause of you
All because of you
Do the things I do
Do the things
Do the things I do
All because of you-you
Torn to pieces
No more tears to cry
Yeah
Gave you all I had
But found a lie
Yeah
Now I just hate to love you
But I can't fake
Wish I could be much stronger
'Cause I'm about to break
I do the things I do
Do the things
Do the things I do
All because of you
Cause of you
All because of you
Do the things I do
Do the things
Do the things I do

All because of you-you
Suddenly found myself broken down on my knees
Hoping that someone will bring back reality
All of this happening only because of you
I do the things I do
Do the things
Do the things I do
All because of you
Cause of you
All because of you
Do the things I do
Do the things
Do the things I do
All because of you-you
I do the things I do
Do the things
Do the things I do
All because of you
Cause of you
All because of you
Do the things I do
Do the things
Do the things I do
All because of you-you
