Sweet Life

Paul Davis

She's got your eyes, she's got my nose
Oh and I get high just watching her grow
We always dreamed we'd live in a castle, oh but
We're in the same old shackSometimes we get into a hassle
But we always take each other back
Oh, you know this whole world seems to be in a hurry
But darlin' we'll just keep on taking our time'Cause we're living such a sweet life
Oh what a neat life, sharing my love with you
Oh, we're living such a sweet life
Oh what a neat life, making our dreams come true
We're makin' our dreams come trueYou are my love, you are my life
Oh and I get high just holding you tight
We always dreamed we'd make a lot of money, oh but
I don't mind being poor'Cause when you make love to me, honey
I couldn't ask for anymore
Oh, you know all our friends seem to be in a hurry
But darlin' we'll just keep on taking our timeWe're living such a sweet life
Oh what a neat life, sharing my love with you
We're living such a sweet life
Oh what a neat life, making our dreams come true
We're making our dreams come trueWe're living such a sweet life
Oh what a neat life, sharing my love with you
We're living such a sweet life
Oh what a neat life, making our dreams come trueWe're living such a sweet life
Oh what a neat life, sharing my love with you
We're living such a sweet life
