

We Hate You Little GIrLs

Throbbing Gristle

We hate you little girls
All the time
Every time little girls I hate you little girls
With your little curls
And your pretty dress
And your little breasts I hate you, I hate you
I hate you little girls
I hate you little girls
I hate your little tits
I hate your little clits
I hate your mother too I hate you, I hate you
I hate you, hate you
I hate you fucking little girls
I hate
We hate, you hate
They hate
We hate you little girls
I hate you
