Surf's Up

Jim Steinman

The waves are pounding on the sand tonight
I want to take your hand and make it feel so right
I know I'm ready and I'll never be like this againThe sky is trembling and the moon is pale
We're on the edge of forever and we're never gonna fail
I know you're ready and we're running on the back of the windAnd my body is burning like a naked wire
I want to turn on the juice, I want to fall in the fire
I'm going to drown in the ocean and the bottomless sea
I want to give you what I'm hoping you'll be giving to meAnd when the waves are pounding on the sand tonight
I want to take your hand and make it good and make it right
And now the sky is trembling and the moon is pale
We're on the edge of forever and we're never gonna fail, noHow hard, how hard, how hard do I gotta try?
Surf's up, surf's up, surf's up and so am IAnd my body is burning like a naked wire
I want to turn on the juice, I want to fall in the fire
I'm going to drown in the ocean and the bottomless sea
I want to give you what I'm hoping you'll be giving to meAnd when the waves are pounding on the sand tonight
I want to take your hand and make it good and make it right
And now the sky is trembling, the moon is pale
We're on the edge of forever and we're never gonna fail, noHow hard, how hard, how hard do I gotta try?
(I want only your love)
Surf's up
(I need it so bad)Surf's up
(I need it so bad)
Surf's up and so am I
(I gotta give you some love)Surf's up and so am I
And so am I
And so am I
Ooh and so am I
