

# Bohemian Grove

## Boy Crisis

Now they wanna talk about coming clean  
Give up the ghost, give up the dream  
I hear them screaming beyond the trees  
Now they wanna talk about coming clean  
Give up the ghost, give up the dream  
I hear them screaming beyond the trees  
They're screaming  
Why? What have I done?  
Slow burns their lungs  
What have I done? What have I done?  
Father, won't you save me?  
What have I done? What have I done?  
Father, won't you save me?  
What have I done? What have I done?  
Father, won't you save me?  
What have I done? What have I done?  
Burn down the bohemian grove  
They got a secret they don't want you to know  
Burn down the bohemian grove  
I can hear them screaming, father, no  
What have I done?  
Slow burns their lungs  
What have I done? What have I done?  
Father, won't you save me?  
What have I done? What have I done?  
Father, won't you save me?  
What have I done? What have I done?  
Father, won't you save me?  
What have I done? What have I done?  
What have I done? What have I done?
