Lots Sometimes

Glasvegas

I still think about you lots sometimes
It makes me sad when I think about you lots sometimes
It makes me laugh out loud when I think of you lots sometimes
A flame burns bright inside of me for you lots sometimes
Lots sometimes, lots sometimes
Something hurts inside when I think of you lots sometimes
I see a distance when I think about you lots sometimes
The birds sing for me and you in the morning light lots sometimes
I feel lost when I think about you lots sometimes
Lots sometimes, lots sometimes
I'm out of control when I think of you lots sometimes
I tell myself I don't need you anymore lots sometimes
I wonder if you ever loved me at all lots sometimes
I don't want to live without you anymore lots sometimes
Lots sometimes, lots sometimes
I dot to dot with the stars to spell your name at night lots sometimes
The flowers in my garden still await your return lots sometimes
The evening breeze whispers your name in my ear lots sometimes
I picture me and you when I lie awake at night lots sometimes
Lots sometimes, lots sometimes, lots sometimes
It makes me mad when I think about you lots sometimes
I feel lower than the pavement when I think of you lots sometimes
I wish you here with me nocturnally lots sometimes
I hope you're happy wherever you are lots sometimes
Lots sometimes, lots sometimes, lots sometimes
I pray to God I haven't lost you for good lots sometimes
I hold on to hope I'm somewhere in your heart lots sometimes
I can't help it when I think about you lots sometimes
I miss you like I've never missed anything lots sometimes
Lots sometimes, lots sometimes
I find it hard to let go and move on lots sometimes
I really thought we could have made it to the end lots sometimes
I guess I never stopped loving you at all lots sometimes
I still think about you lots sometimes
Lots sometimes, lots sometimes, lots sometimes
Lots sometimes, lots sometimes, lots sometimes
