Love for Real

Ultrabeat

Her skin is salty sweet, she wore sandals on her feet
Side by side we fell asleep in her mother's bed
She stepped inside of me, she said don't ever lie to me
This heart of mine can be yoursYea, that's what she said
But I just played the role
Broke the heart I stole
'Cause I was young and dumb and fucked up in the headDo you want to be loved for real
Do you want to be loved for real
Do you want to be loved
(Yes, I wanna be loved for real)For real
(Do you want to be in love for real)
(Yes, I want to be in love for real)Now, I'm down by the river, taking off my shoes
Jump in the water, wash away these blues
Now out into the ocean, the current takes hold
Words already been spoken, tales already been toldHeart's already been broken
Wounds already been healed
Do you wannabe loved, do you wanna
Do you wannabe love for realDo you want to be loved for real
Do you want to be loved for real
Do you want to be loved
(Yes, I wanna be loved for real)For real
(Do you want to be in love for real)
(Yes, I want to be in love for real)Do you want to be loved for real
Do you want to be loved for real
Do you want to be loved
(Yes, I wanna be loved for real)For real
(Do you want to be in love for real)
(Yes, I want to be in love for real)Her eyes were hazel brown, she laughed the sweetest sound
And I just loved the way she lit up when she spoke
She help to ease my pain, she stayed through pouring rain
And I gave her all that she could take till she brokeShe fit me like a glove
She taught me how to love
And for some ass I watched
It all go up in smokeDo you want to be loved for real
Do you want to be loved for real
Do you want to be loved
(Yes, I wanna be loved for real)For real
(Do you want to be in love for real)
(Yes, I want to be in love for real)Do you want to be loved for real

Do you want to be loved for real
Do you want to be loved
(Yes, I wanna be loved for real)For real
(Do you want to be in love for real)
(Yes, I want to be in love for real)Do you want to be loved for real
Do you want to be loved for real
Do you want to be loved
(Yes, I wanna be loved for real)For real
(Do you want to be in love for real)
(Yes, I want to be in love for real)Do you want to be loved for real
Do you want to be loved for real
Do you want to be loved
(Yes, I wanna be loved for real)For real
(Do you want to be in love for real)
(Yes, I want to be in love for real)
