

If I Could Write (Say Goodbye to Daisy Miller)

[Sam Phillips](#)

[If I could write I'd set all the words free to follow you]
Tell you wonder, tell you secrets and solitude
I've had to let go of so much
It's hard to hold on now
Something far off is pulling me and
When I go this time I don't think I'm coming back I took your ring that never comes off and put it on
Sorry to lose you, sorry to keep you after you were gone
Nothing is small, nothing is unexpected
I want more
When I go this time I don't think I'm coming back Desire's the element that I can't fight
Dream is the arm of God
Girl's looking for themselves in your eyes
I'm looking for you
What's this supposed to be some kind of perfect
I want more
When I go this time I don't think I'm coming back
Coming back (3x and fades)
