

# High as the Moon

## The Get Up Kids

I built an altar for you  
Out of polaroids and pins  
On the wall of my room  
I don't know what to do  
    Waiting for you  
    Should be a sin  
    Out of south station  
    Builds me up  
    It's all I can do  
    High as the moon  
    Waiting for you  
To come back to my room  
    I built an altar for you  
    Hope you come around  
    Those lead to my house  
    I had a question for you  
    Telling the truth  
    Throws at the sound  
    Outside a station  
    Builds me up  
    It's all I can do  
    High as the moon  
    Waiting for you  
To come back to my room  
    All I can say  
Is show me some strength  
    Come over please  
    Your enemies  
    Won't get to you  
    Waiting to speak  
    Days into weeks  
    Come over please  
    No enemies  
    Outside a station  
    Builds me up  
    It's all I can do  
    High as the moon  
    Waiting for you  
To come back to me please

Come over soon  
No enemies  
Come over see  
I'm begging you
