

Send Me the Pillow You Dream On

[Johnny Tillotson](#)

Send me the pillow that you dream on
Don't you know that I still care for you?
Send me the pillow that you dream on
So darling, I can dream on it too Each night while I'm sleeping oh so lonely
I'll share your love in dreams that once were true
Send me the pillow that you dream on
So darling, I can dream on it too Send me the pillow that you dream on
Maybe time will let our dreams come true
Send me the pillow that you dream on
So darling, I can dream on it too I've waited so long for you to write me
But just a memory's all that's left of you
Send me the pillow that you dream on
So darling, I can dream on it too So I can dream on it too
