I Was a Fool

[Elmore James](#)

Well, I was a fool, believe what ya said
Yes, I was a fool, believe what ya said
Yes, I'm goin' back home, I wish that I was deadI'm goin' back home, gonna leave you alone
I'm goin' back home, gonna leave you all alone
I gotta find my babe, yes, you know I done her wrongOh, I was a fool, to leave you yesterday
Yes, I was a fool, to leave you yesterday
I gotta find me a woman, yes, I'll change my waysOh, goodbye baby, I may never see you any more
Yeah, goodbye baby, may never see you any more
Well, always love you darlin', hound you everywhere you go
