

All Hail the Fallen King (feat. Phil Bozeman)

Chelsea Grin

My declaration to Gaia
Listen close to what I have to say
For this isn't your biblical propaganda These are the darkest days of humanity
Drawing even the smartest minds to insanity
My eyes have seen the glory of the fallen king
All hail the fallen king
All hail the fallen king Until the ashes line the sky
All hail the fallen king
Fuck When dwelling in your worse darkness
And crawling in your own filth
We will bring upon the glory of the fallen king These are the darkest days of humanity
Drawing even the smartest minds to insanity
My eyes have seen the glory of the fallen king
All hail the fallen king
All hail the fallen king The horseman set to make their ride
The planet too will slowly die
Now kneel before your sire
All hail the fallen king
