

# Gandhi II

## "Weird Al" Yankovic

Next week on U-62, he's back  
And this time he's mad  
Gandhi II No more Mr. Passive Resistance  
He's out to kick some butt  
This is one bad mother  
You don't wanna mess with  
"Don't move, slime ball" He's a one-man wrecking crew  
But he also knows how to party  
"Gimme a steak, medium rare"  
There is only one law, his law  
Gandhi II
