

# Should've Been A Cowboy

**Toby Keith**

Say, yeehaw I bet you never heard ol' Marshall Dillon say  
"Miss Kitty, have you ever thought of runnin' away?  
And settlin' down, would you marry me?  
If I asked you twice and begged you pretty please?" Lord, she'd have said yes in a New York minute  
They never tied the knot  
His heart wasn't in it, he just stole a kiss and he rode away  
He never hung his brim up at Kitty's place Shoulda been a cowboy, should've learned to rope and ride  
Wearin' my six-shooter, ridin' my pony on a cattle drive  
Stealin' a young girl's heart, yes, like Gene and Roy  
Sang a few rodeo songs, yeah, I should've been a cowboy Might've had a sidekick with a funny name  
Running wild through the hills chasing Jesse James  
Ending up on the brink of danger  
And riding shotgun with the Texas Rangers Go west, young man  
Eveybody knows that California's full of whiskey  
And women and beer and gold  
Hidin' out beneath the desert star  
With a dream in my eye and a prayer, my heart Oh, shoulda been a cowboy, should've learned to rope and ride  
Wearin' my six-shooter, ridin' my pony on a cattle drive  
Stealin' a young girl's heart, oh, just like Gene and Roy  
I sang a few cowgirl songs, I should've been a cowboy Oh, shoulda been a cowboy, should've learned to rope  
and ride  
Wearin' my six-shooter, ridin' my pony on a cattle drive  
Stealin' a young girl's heart, just, like Gene and Roy  
I sang a few redneck songs, yeah, I should've been a cowboy Let's get Western one time  
All right, California, you know this ol' cowboy song  
Let's all sing it together one time Shoulda been a cowboy, should've learned to rope and ride  
Wearin' my six-shooter, ridin' my pony on a cattle drive  
Stealin' a young girl's heart just like Gene and Roy  
Singin' those campfire songs, oh, I should've been a cowboy Say, yeehaw A cowboy, should've learned to rope  
and ride  
Wearin' my six-shooter, ridin' my pony on a cattle drive  
Stealin' a young girl's heart, yeah, just like Gene and Roy  
I sang a few campfire songs, oh, I should've been a cowboy What'd you say?  
I said, I should've been a cowboy  
Should've been a cowboy  
You should have been one too, buddy
