

Those Were the Days

Angel Olsen

Do you remember the way that it used to be?
I waited for you
And you kept on searching with me
Feeling free
Wanting to see each other all of the time
Those were the days
Nothing to lose and nothing to find
See how you're laughing with those you don't know as well
I hear you saying I'm the one but I wish I could tell
Funny how time can make you realize and realize
And then realize
But I'll take all of it
Don't want to leave it behind
I'll take all of it
If it's only real in my mind
Real in my mind
Real in my mind
Will you ever
Will you ever know the same love that I've known?
Will you ever
Will you ever know the same love that I've known?
Will you ever
Will you ever know the same love that I've known?
Will you, will you, will you?
Even if it's all of my own
All of my own
