HC

Scarling.

Right hook so strong
You like his hair you sing along
With every word, he's M, he's B
He's so H, but over CWhen your life comes crashing
Here comes love
Watch him coy and dashing
He comes loveLeft hook so weak
He shocks you when he speaks
He's everywhere he's M, he's B
He's so H, but over CWhen your life comes crashing
Here comes love
Watch him coy and dashing
Here comes loveDirty bitch, the messiah
Scratch your itch, drug pariah
Pink prick, extra blunt
Gold plated, stunning cunt
Heart thief, dark soul
Sucks you dry, eats you whole[repeat]Last hook can't dispute
I like to curse, he likes to shoot :pause:
At everyone
He's M, he's B
He's so H, but over CWhen your life turns fashion
Here comes love
You watch the people cash in
Here comes love
He leaves you tired and scratching
There goes love
Gorgeous prick he's smashing
