

# Early Mourning

## Alesana

Last night I forgot  
How the sound of your voice  
Whispered sweet, goodbyes  
Your eyes, left to die  
[Incomprehensible] understand why  
Why not one more night  
One last kiss goodbye  
My sweet love tonight  
I hope the stars  
Still spell out your name  
Where you are  
Kiss my closing eyes  
Help me sleep  
Without you, I'm so lost  
Tonight I cry, tell me why  
I can't live without  
Your warm embrace  
Why not one more night  
One last kiss goodbye  
My sweet love tonight  
I hope the stars  
Still spell out your name  
Where you are  
I close my eyes and  
You are everything I see  
Goodbye  
Goodbye to you my love  
I won't forget you  
I'll see you soon  
Goodbye my love  
Goodbye to you my love  
I won't forget you  
Bye, bye love
