Look At Me

Geri Halliwell

Good looking, bad tasting
Full bodied, butt wasted
Loose living, tight fitting
What you see ain't what you are getting
Big make up, little break up
She wants it, he's got it
Cold blooded, hot gossip
Superficial expectations
Look at me, you can take it all
Because this face is free
Maybe next time use your eyes and look at me
I'm a drama queen if that's your thing
Baby, I can even do reality
Fake honey, real plastic
Stupid cupid, fantastic
Queer thinking, straight talking
What you see ain't what you are getting
Fast loving, slow moving
No rhythm but I'm grooving
Old feeling, new beginning
Superficial expectations
Look at me, you can take it all

Because this face is free
Maybe next time use your eyes and look at me
I'm a drama queen if that's your thing
Baby, I can even do reality
That's me
Ha, ha, ha, ha
Sometimes I don't recognize my own face
I look inside my eyes and find disgrace
My little white lies tell a story
I see it all, it has no glory
Look at me, you can take it all
Because this face is free
Maybe next time use your eyes and look at me
I'm a drama queen if that's your thing
Baby, I can even do reality
Come on and look at me

This face is free, I'm your fantasy
So who'd you wanna be, not what you see
I'm a drama queen if that's your thing
Come on and look at me, I'm your fantasy
This face is free
