

# My World

## 3 Doors Down

You're stuck on a chain  
And you're toeing a lie  
Seems like every time that you catch up  
You only fall behind  
And you're trapped inside this world  
You made yourself  
But that's not the world I live in  
This is not the life for me  
'Cause my world's bigger than your problems  
And it's bigger than me  
That's not the world I live in  
This is not the life for me  
'Cause my world's bigger than your problems  
And it's bigger than me  
There is always someone to blame  
For the things you do yourself  
You think that everything that's going wrong  
Is because of someone else  
And you're trapped inside this world  
You made yourself  
That's not the world I live in  
This is not the life for me  
'Cause my world's bigger than your problems  
And it's bigger than me  
It's not the world I live in  
This is not the life for me  
'Cause my world's bigger than your problems  
And it's bigger than me  
And it's bigger than me  
'Cause I'm lonely outside  
And I'm looking in  
And that's not the world I live in  
This is not the life for me  
'Cause my world's bigger than your problems  
And it's bigger than me  
It's not the world I live in  
This is not the life for me  
'Cause my world's bigger than your problems  
And it's bigger than me

'Cause my world's bigger than your problems  
And it's bigger than me.
