

Story Problem

The Envy Corps

This is a jailbreak
This is a Thursday afternoon
But I didn't mean it
No I didn't mean it! I'd never get that far
My baby short breath wouldn't do
But you took it serious
Took it too serious! You accused me
Of wearing movies in my eyes
But I still love you
Of course I love you! And so I countered
You do the same, my Annie I.
And you closed them so fast
And you closed them so tight! (La la la la la la la la la la) If we're
Such good friends
Then why don't we act like it I think it's time
We covered up our deaf spots now
