Testimony

Robbie Robertson

Look over yonder, Apollo at a distance
You can hear his music if you listen to the wind (blow)
I want to be there - I want to be right thereBear witness, I'm wailing like the wind
Come bear witness, the half-breed rides again
In these hands, I've held the broken dream
In my soul, I'm howling at the moonTestimony, testimony
Declare yourself - I will testify
Testimony, testimony
Speak the truth, I will testifyI had a revelation like runaway horses
Took to the road with a carnival show (roll on)
Those golden days on Smokey Mountain
Playing guitar in a one man bandBear witness, I'm howling at the moon
Come bear witness, I've danced among the ruins
In these shoes, I've walked a crooked mile
All my life I been searching for the nightbirdTestimony, testimony
Declare yourself - I will testify
Testimony, testimony
Speak the truth, I will testifyAre you ready to take the heat
Are you ready to blow the steam
Are you ready to bag the street
You got nothing to lose - but your chainsFor forty days and forty nights
I come across the desert
Apollo right by mide side (rave on)Bear witness, I'm wailing like the wind
Come bear witness, the half-breed rides again
In these hands, I've held the broken dream
In my soul, I'm howling at the moonTestimony, testimony
Declare yourself - I will testify
Testimony, testimony
Speak the truth, I will testify
