Power

Kristin Chenoweth

Take a look around
I see expressions on each face
I know some things just got to be done
The feelings must be replaced
So I talked it over with him
And I asked just what to do
He said trust in me cause you have power of mine invested in youYou have my power, you have my strength
You have my holiness within
Go out and share what I've given you
Don't be afraid don't be dismayed;
I light the way, my friendTalk about the sharing and the giving you want to do
About your spiritual holiness and the faith I've given you
But I told you in my words, so many times you've read;
Even though you have a faith
Faith without works is deadchorus (2x)power, power in the blood, power in the blood of Jesus (repeated)choruspower, power in the blood, power in the blood of Jesus (repeated)
