

Let It Rain

Badly Drawn Boy

Faced with the truth
you don't want to believe
that a man never lived without dying
Remember the things that you wanted to be
as a man ever failed without tryingTake my hand
Walk with me
With your hand
Set me freeTake my hand
Walk with me
Through the towns
Of the street
Let it rain, let it rain
Let it rain, let it rainIf an action speaks louder than words that you say
Well here's to a life without meaning
Tomorrow won't happen, there's only today
Can a man truly live without dreaming?Take my hand
walk with me
through the towns
Of the streetTake my hand
Walk with me
With your hand
Set me free
Let it rain, let it rain
Let it rain, let it rain
Let it rain, let it rain
Let it rain, let it rain
