Quiet Fire

Maysa

Feelings that I can't describe
Sweep through me
Never like this have I felt before
I don't care who knows how good his love is
When he lights my fire
(ooh baby)
Never like this have I felt before
Feelings that I've never known
Until you
Never like this have I felt before
Ecstasy that makes my head go spinning
From love's warm desire
Never like this have I felt before
Quiet is the fire inside of me
Quiet is the fire that only you can see
Quiet is the fire you've set in me
Quiet is the fire and it just won't let me be
Baby hold me close to you
Oooh, feels so good
Never like this have I felt before
Feelings that defy control run through me
Set my soul on fire
Never like this have I felt before
Never like this have I felt before
Quiet is the fire inside of me
Quiet is the fire that only you can see
Quiet is the fire you've set in me
Quiet is the fire and it just won't let me be
