Slow Wind

R Kelly

Girl, I want to be alone with you
Just to see what you can do
Ooh, you're dancing all over me
Baby, this is like some kind of fantasy
The way you move, you're teasing, girl
So tonight I want you in my world
There you go again, girl, on my mind
See you in my dreams all the time
Ooh, baby girl, you're so fine
Standing in front of me
Now will you wind for me, slow wind for me
Oh, you wind for me, slow wind for me
Will you wind for me, slow wind for me
Oh, you wind for me, slow wind for me
Girl, the time has come to show and prove
I've seen enough, I wanna feel the truth
Put your voodoo on me, babe
Kiss my lips and curse me, babe
Show me how you do your magic, babe
Lead me to your secret jungle, babe
There you go again, girl, on my mind
See you in my dreams all the time
Ooh, baby girl, you're so fine
Standing in front of me
Now will you wind for me, slow wind for me
Oh, you wind for me, slow wind for me
Will you wind for me, slow wind for me
Oh, you wind for me, slow wind for me
You're a Jamaican queen
I'm an American kingdom
You're a Jamaican queen
I'm an American kingdom
You're a Jamaican queen
I'm an American kingdom
You're a Jamaican queen
I'm an American kingdom
Let's get together and make sweet love babe
Let's get together and mix cultures
Let's get together and change the world

Wind for me, you Jamaican girl
There you go again, girl, on my mind
See you in my dreams all the time
Ooh, baby girl, you're so fine
Standing in front of me
Now will you wind for me, slow wind for me
Oh, you wind for me, slow wind for me
Will you wind for me, slow wind for me
Oh, you wind for me, slow wind for me
Wind for me, slow wind for me
Oh, you wind for me, slow wind for me
Oh, you wind for me, slow wind for me
Oh, you wind for me, slow wind for me
Wind for me
