

Give Me A Reason

The Charlatans

This is another lonely morning
It feels like another lonely night
I'm almost sure I'll give up hoping
Or shouldn't I give it one more try

Give me a reason

To hold on to this love

Give me a reason

To stay strong in my heart

Show me a reason that I go on

Words came straight from the start

All alone

Give me one good reason

A reason to go on

Did I just see a tear in your eyes

Did I just miss a silent sign

Is it the end or is it my mind

Making it hard for you to try

Give me a reason

To hold on to this love

Give me a reason

To stay strong in my heart

Show me a reason that I go on

Words are straight from the start

All alone

Give me one good reason

A reason to go on
