

Uncommon Man

Deep Purple

Things fall together in time
Who said you can't have it all
The beast in the room
Heavy kind of feeling
It's got to be twenty foot tall
But the man is standing high
Oh, oh, oh it's good to be king Standing together again
Everyone's starting to sway
Up on a hill
Close to the sky
Oh it's a fabulous day
And the man is walking tall
Oh, oh, oh it's good to be king Bow your head
The carriage is waiting
To take you away Remember the feeling
Remember the day
Believe what you're seeing
As the ladies-in-waiting drift away
