

No Prayer for the Dying

Iron Maiden

There are times when I've wondered and times when I've cried
When my prayers they were answered at times when I've lied
But if you asked me a question, would I tell you the truth?
Now there's something to bet on, you've got nothing to lose, yeah
When I've sat by the window and gazed at the
rain
With an ache in my heart but never feeling the pain
And if you would tell me just what my life means
Walking a long road, never reaching the end
God give me the answer to my life
God give me the answer to my dreams
God give me the answer to my prayers
God give me the answer to my being
