I Don't Have The Time

Straylight Run

I don't have the time
I don't have the time
Gonna get away too fast
Gonna get away too fast
I don't have the time
I don't have the time
Get up, go ahead and find a way to be happy
When the pigs keep running
And their feet keep kicking up dirt
When the dogs keep eatin'
But the kids keep screaming out loud
When the pigs keep running
And their feet keep kicking up dirt
When the dogs keep eatin up
The kids keep screaming out loud
Wait for it to come around
Wait for it to come around
Gonna get away too fast
Gonna get away too fast

Wait for it to come around
Wait for it to come around
Get up, go ahead and find a way to be happy
When the pigs keep running
And their feet keep kicking up dirt
When the dogs keep eatin' up
The kids keep screaming out loud
When the pigs keep running
And their feet keep kicking up dirt
When the dogs keep feedin'
But the kids keep screaming out loud
When the pigs keep running
And their feet keep kicking up dirt
When the dogs keep eatin' up
The kids keep screaming out loud
When the pigs keep running
And their feet keep kicking up dirt
When the dogs keep eatin' up
The kids keep screaming out loud
