

Love Hurts

Nivea

Love (love), hurts (hurts)

Love (love), hurts (hurts)

Love (love), hurts (hurts)

Love (love), hurts (hurts)

All your lies, all you're cheating

I done tallied up your score boy your winning

You done defeated me, fall down gracefully

Now I'm down for the count tell me what this pain about

Is this necessary, you could of been straight up with me

Or come straight if you didn't want me

If ever there was a bitter story of a woman scorned

(Turn up your radio) baby coz heres one

Love (love), hurts (hurts)

Love (love), hurts (hurts)

Love (love), hurts (hurts)

Love (love), hurts (hurts)

Love (love), hurts (hurts)

Love (love), hurts (hurts)

Love (love), Love (love),

hurts (hurts), oohhhlove hurts

All of your lies, all your cheating

The games over, baby your winning

I'm bowing out, Leaving the crowd

them ovther girls can have you now

I never knew what pain was till i fell in love

I never knew that you were someone i could trust

So much for love, So much for we

So much for staying down

So much for diamond rings

Love (love), hurts (hurts)

Love (love), hurts (hurts)

Love (love), hurts (hurts)

Love (love), hurts (hurts)

Love (love), hurts (hurts)

Love (love), hurts (hurts)

Love (love), hurts (hurts)

Love (love), hurts (hurts)

Love hurts

I guess the question why, did i never leave when i had plenty oppertunities

Women alway think they can change a man

When changing my mind was the better plan

Everything i did i did for you and me

Now you tell that theres no more you and me

Im just a girl standing here infront of a man

Asking him to Love her again

Love (love), hurts (hurts)

Love (love), hurts (hurts)

Love (love), hurts (hurts)

Love (love), hurts (hurts)

Love (love), hurts (hurts)

Love (love), hurts (hurts)

Love (love), Love (love),

hurts (hurts), oohh love
