Hide

Creed

To what do I owe this gift, my friend?

My life, my love, my soul?

I've been dancing with the devil

Way too long

And it's making me grow old

Making me grow oldLet's leave all this and get away

Get lost in time

Where there's no reason left to hide

Let's leave all this and get away

Run in fields of time

Where there's no reason left to hide

No reason left to hideWhat you're gonna do when

You're gift dear child?

Give life, give love, give soul

Divided is the one who dances

For the soul is so exposed

So exposedLet's leave all this and get away

Get lost in time

Where there's no reason left to hide

Let's leave all this and get away

Run in fields of time

Where there's no reason left to hide

No reason to hide There is no reason to hide

There is no reason to hide

There is no reason to hide

There is no reason to hide Yeah, let's leave all this and get away

Get lost in time

Where there's no reason left to hide

Let's leave all this and get away

Run in fields of time

Where there's no reason left to hideLet's leave all this and get away

Get lost in time

Where there's no reason left to hideNo reason to hide

There is no reason to hide

No reason to hide

There is no reason to hide

No reason to hide
