

Roads Girdle the Globe

[XTC](#)

Am I asleep or am I fast
Your every race
You first, you last Roads girdle the globe
We safe in your concrete robe
Hail mother motor, hail piston rotor, hail wheel
Roads girdle the globe Am I tied in or do I turn
Your holy incense
You tyre burn Roads girdle the globe
We safe in your concrete robe
Hail mother motor, hail piston rotor, hail wheel
Roads girdle the globe Steer me Anna
Steer me Anna
Steer me Anna Am I get there
When is A, B
Your iron, oil and steel
[Incomprehensible] Roads girdle the globe
We safe in your concrete robe Roads girdle the globe
We safe in your concrete robe Roads girdle the globe
We safe in your concrete robe Roads girdle the globe
We safe in your concrete robe
Hail mother motor, hail piston rotor, hail wheel Hail mother motor, hail piston rotor, hail wheel
Hail mother motor, hail piston rotor, hail wheel
