

I Can't Go On

Robin Bengtsson

I can't go on
I can't go on
gotta keep it togetherDon't get me wrong
don't get me wrong
cause baby you make me betterHeyWith just one look you make me shiver
I just wanna take you home
Wanna go
aaaah
Yeah I wanna go
aaaah
Now girl you make me a believer
I wanna take off all my clothes
Wanna go
aaaah
you make me wanna go
aaaahI just can't go on no more
when you look this freakin' beautifulOoh hands down to the floor my love
and I'm doing whatever you wantI can't go on
I can't go on
when you look this freakin' beautifulI can't go on
I can't go on
when you look this freakin' beautiful
You've got me good
you've got me good
and I'm not going nowhereRight in your hook
that's understood
but I'mma take you somewhereI just can't go on no more
when you look this freakin' beautifulOoh hands down to the floor my love
and I'm doing whatever you wantI can't go on
I can't go on
when you look this freakin' beautifulI can't go on
I can't go on
when you look this freakin' beautiful
So freakin' beautiful
baby I'm just can't go on
I can't go on
I can't go on
I can't go on
I can't go on

when you look this freakin' beautiful

I can't go on

I can't go on

I can't go on

I can't go on

when you look this freakin' beautiful

So freakin' beautiful

baby I'm just can't go on
