Damn Rough Night

Artist Vs Poet

It's gonna be a damn rough night
for the designated driver.
'cause it's me and whoever
and you know we won't remember.
Sorry for what I'm about to do.
Turning 21 is a bitch to go through.
Before we take a drink, let's toast
to the never have I ever's.
'cause tonight is the night that
we'll talk about forever.
So take my keys and hide my cell phone.
If I turn into trouble, at least I warned you.
Let's recap and get caught up.
No one said enough's enough.
I let go the better part of me.
I guess I had a damn rough night.
I'm still piecing it together.
Their's a girl in my bed
and I haven't even met her.
I had a damn rough night
and I can't even remember.
Threw my clothes in the fire
and I turned into a streaker.
Sorry for what I'm about to do.
Turning 21 is a bitch to go through.
All these crazy things we do.
Turning 21 is a bitch to go through.
I heard I was a big chaotic
mess at the occasion.
Was a total disaster and
now I'm fading faster.
I'll keep the score never realized
so I pass the time until I feel alive.
And I am not like this all the time.

Let's recap and get caught up.
No one said enough's enough.
I let go the better part of me.
I guess I had a damn rough night.

I'm still piecing it together.
Their's a girl in my bed
and I haven't even met her.
I had a damn rough night
and I can't even remember.
Threw my clothes in the fire
and I turned into a streaker.
Sorry for what I'm about to do.
Turning 21 is a bitch to go through.
All these crazy things we do.
Turning 21 is a bitch to go through.
And if I had the chance
you know I'd do it all again.
And if I had the chance
you know I'd do it all again.
Looks like I had a damn rough night.
I'm still piecing it together.
Their's a girl in my bed
and I haven't even met her.
They say I had a damn rough night
and I can't even remember.
Threw my clothes in the fire
and I turned into a streaker.
Sorry for what I'm about to do.
Turning 21 is a bitch to go through.
All these crazy things we do.
Turning 21 is a bitch to go through.
Sorry for what I'm about to do.
Turning 21 is a bitch to go through.
All these crazy things we do.
Turning 21 is a bitch to go through
is a bitch to go through.
