Ladi Dadi (Part II) ft. Wynter Gordon

Steve Aoki

Dim the lights
So you cant see me
Close your mouth
Don't speak
Just feel meCloser we become
Together we will fall
Than we're one
This night
This night
We give ourselves one nightThe mood is set
The food is eatin'
The time is right
For love
It's beating
A little bit of talk
A little bit of pleasure
A little bit of makin out
And than we work it out
A little somokey-smoke
Tell me a dirty joke
Up on your roof
On your roof
And we don't need nobody
To have a little party
Its just two
Just us two
And we don't need nobody
Cuz we go ladi dadi
Just us two
Me and you
Me and youFeel the kiss
And smile so softly
We're just friends
But I like you slightly
We wont cross the line
We'll go on proper
Takes some timeJust a boy and a girl
Just us two
In a worldThe mood is set

The food is eatin'
The time is right
For love
It's beating
A little bit of talk
A little bit of pleasure
A little bit of makin out
And than we work it out
A little somokey-smoke
Tell me a dirty joke
Up on your roof
Up on your roof
And we don't need nobody
To have a little party
Its just two
Just us two
And we don't need nobody
Cuz we go ladi dadi
Just us two
Me and you
Me and youTake a walk with me
And we'll go dancing in the rain
And baby we'll run under a tree
Ill look at you
You'll look at meA little bit of talk
A little bit of pleasure
A little bit of makin out
And than we work it out
A little somokey-smoke
Tell me a dirty joke
Up on your roof
Up on your roof
And we don't need nobody
To have a little party
Its just two
Just us two
And we don't need nobody
Cuz we go ladi dadi
Just us two
Me and you
Me and you
