Favour Shall Follow Me

James Nee

Favor shall follow me

I smell favour
I am favour
I say favour
Favour shall follow me
Everywhere I go
Money shall follow me
Everywhere I go
Miracle job shall follow me
Everywhere I go
Miracle money shall follow me
Everywhere I go
Coz I am favour x4
Everything I do
I see favour
Everywhere I go
I see favour
In my life I see favour
Favour everywhere x2
You can call me favour
Coz I am favour
Favor shall follow me heeee
