Out(break)tro

[Outbreak](#)

You think you've been around, that's far from true, look back at last year, where the fuck were you? You didn't care and you didn't believe, pretending you're a part of everything we bleed. Not standing for it anymore, we're taking it back. It's time to make it ours, get it back on track. We're calling you out (You know who you are) you've taken this shit to fuckin
