

# Hey Cinderella

[Suzy Bogguss](#)

We believed in fairy tales that day  
I watched your father give you away  
Your aim was true when the pink bouquet  
Fell right into my hands  
We danced for hours and we drank champagne  
You screamed and laughed when I got up and sang  
And then you rode away in a white Mustang  
To your castle in the sand  
Through the years and the kids and the jobs  
And the dreams that lost their way  
Do you ever stop and wonder?  
Do you ever just wanna say? Hey Cinderella, what's the story all about  
I got a funny feeling, we missed a page or two somehow  
Oh Cinderella, maybe you could help us out  
Does the shoe fit you now? We're older but no more the wise  
We've learned the art of compromise  
Sometimes we laugh, sometimes we cry  
And sometimes we just break down  
We're good now 'cause we have to be  
Come to terms with our vanity  
Sometimes we still curse gravity  
When no one is around  
Yeah, our dolls gather dust in the corner of the attic  
And bicycles rust in the rain  
Still we walk in that fabled shadow  
Sometimes we call her name  
Hey Cinderella, what's the story all about  
I got a funny feeling, we missed a page or two somehow  
Oh Cinderella, maybe you could help us out  
Does the shoe fit you now? Hey! Cinderella, maybe you could help us out  
Does the shoe fit you now? Fit you now  
Oh Cinderella, does it fit you now?  
Cinderella  
Oh Cinderella  
Hey Cinderella
