Right Round

Flo Rida

You spin my head right round, right round

When you go down, when you go down down

You spin my head right round, right round

When you go down, when you go down downHey, walk out that house with my swagger Hop in there with dough, I got places to go!

People to see, time is precious

I looked at my cotty, are ya out of control? Just like my mind where I'm goin'

No women, no shawties, no nothin' but clothes

No stoppin' now, my Pirellis on roll

I like my jewelry that's always on whoaI know the storm is comin'

My pockets keep tellin' me it's gonna shower

Call up my homies, it's on

Then pop in the next 'cause this mix'll be oursWe keep a fade-away shot

'Cause we ballin' it's Platinum Patron that be ours

Lil mama, I owe you just like the flowers

Girl you the drink with all that goodie powers You spin my head right round, right round

When you go down, when you go down down

You spin my head right round, right round

When you go down, when you go down downFrom the top of the pole I watch her go down

She got me throwin' my money around

Ain't nothin' more beautiful to be found

It's goin' down downFrom the top of the pole I watch her go down

She got me throwin' my money around

Ain't nothin' more beautiful to be found

It's goin' down downHey, shawty must know I'm the man

My money love her like her number one fan

Don't open my mouth, let her talk to my fans

My Benjamin Franklins A couple of grands, I got rubber bands

My paper planes makin' her dance

Get dirty all night, that's part of my plan

We buildin' castles that's made out of sandShe's amazin', fire blazin'

Hotter than Cajun, girl won't you move a lil' closer?

Time to get paid, it's maximum wage

That body belong on a posterI'm in a daze, that bottom is wavin' at me

Like, "Damn it, I know you"

You wanna shoot like a gun out of holster

Tell me whatever and I'll be your gopherYou spin my head right round, right round

When you go down, when you go down down

You spin my head right round, right round

When you go down, when you go down downFrom the top of the pole I watch her go down She got me throwin' my money around Ain't nothin' more beautiful to be found It's goin' down downFrom the top of the pole I watch her go down She got me throwin' my money around Ain't nothin' more beautiful to be found It's goin' down down Yeah, I'm spendin' my money, I'm out of control Somebody help me she takin' my bank roll But I'm king of the club and I'm wearin' the crown Poppin' these bottles, touchin' these models Watchin' they asses go down downYou spin my head right round, right round When you go down, when you go down down You spin my head right round, right round When you go down, when you go down downYou spin my head right round, right round When you go down, when you go down down You spin my head right round, right round When you go down, when you go down down
