

Ain't No Sunshine

John Waite

Ain't no sunshine when she's gone
It's not warm when she's away
Ain't no sunshine when she's gone
And she's always gone too long
Anytime she goes awayI wonder this time where she's gone
I wonder if she's gone to stay
Ain't no sunshine when she's gone
And this house just ain't a home
Anytime she goes awayOh yeah, yeah, I know, I know
I know, I know, I know, I know it
Every single day
I know, I know, I know, I knowAin't no sunshine when she's gone
Only darkness everyday, yeah
Ain't no sunshine when she's gone
And this house just ain't a home
Every time she goes awayAin't no sunshine when she's gone
And she's always gone too long
Every time she goes away, yeahI know, I know, I know, I know
I know, I know
Every single time she goes away
I know, I know, I know, I know
Miss her every single dayI know, I know, I know, I know
I can't leave that thing alone
There ain't no sunshine when she's goneAin't no sunshine when she's gone
And she's always gone too long
Every time she goes away, oh yeahAin't no sunshine when she's gone
And this house just ain't a home
Every time she goes away, oh yeahAin't no sunshine when she's gone
And she's always gone too long
Every time she goes away
