No More Foolin'

Edguy

Fair sex paralyzer, lipstick in a face
Spirit analyzer, not one human trace
No need to cryRool the fuckin' dice, I'm a loser in a game
Gonna hurt my feelings, your only real aim
Feels like I dieYou can play nice you get satisfied when you win
I see a smile of truth but I can't stare within
Riot in your soulNo more foolin'
You will save all your love
No more foolin'
You will save all your loveSay goodbye, say goodbye
You never know that I was strong enough to stand
All alone on my own, I don't need your handGot your weapons loaded
Your target in your sight
Why don't you only tell me
That I shall fuckin' die?Looking so attractive, wanna get me active
But you never realized that I have got the tactics
I'm much too cool, much too large to be fooled by your liesYou can play nice you get satisfied when you win
I see a smile of truth but I can't stare within
Riot in your soulSay goodbye, say goodbye
You never knew that I was strong enough to stand
All alone on my own, I don't need your hand
Say goodbye, say goodbye
