Mama (feat. Ellie Goulding)

Clean Bandit

Oh, Mama, hola, hola, hola
Don't know what this is
Oh, Mama, hola, hola, hola
Oh, what do I do now?I see my body in a different light
Ay yai yai!
As if I woke up in a different life
Ay yai yai!
Feels like I'm walkin' with my heart on fire
Somebody, pass me the water
'Cause I'm burnin"Cause a little bit's turnin' into a lot
There's no way I'll be turnin' the feelin' off
Guess I'm everything that I thought I was not
Tell me, tell me
Ay yai yai!
Oh, Mama, hola, hola, hola
Don't know what this is
What do I do now, do now, do now
Do with all of this?All of these new emotions
I let them out in the open
Oh, Mama, hola, hola, hola
Oh, what do I do now?I've never felt so good, I feel so soft
Na na na
And now I know myself, I know my spots
Na na na
I didn't know that I could have these thoughts
Yeah, yeah
Somebody, pass me the water
'Cause I'm burnin'
Â¡QuÃ© calor!
'Cause a little bit's turnin' into a lot
There's no way I'll be turnin' the feelin' off
Guess I'm everything that I thought I was not
Tell me, tell me
Ay yai yai!Oh, Mama, hola, hola, hola
Don't know what this is
What do I do now, do now, do now
Do with all of this?All of these new emotions
I let them out in the open
Oh, Mama, hola, hola, hola

Oh, what do I do now?Everything I thought I knew about me's upside-down
Everything is changing, but I think I love it nowOh, Mama, hola, hola, hola
Don't know what this is
What do I do now, do now, do now
Do with all of this?All of these new emotions
I let them out in the open
Oh, Mama, hola, hola, hola
Oh, what do I do now?All of these new emotions
I let them out in the open
Oh, Mama, hola, hola, hola
Oh, what do I do now?
